- 1. Name:** Lhadon
- 2. Age:** 15<sup>th</sup> March 1967
- 3. Present Location:** Jogiwara

**4. Brief Report about the individual:**

Lhadon is staying in Dharamsala at Jogiwara road. She came from Tibet in 2012. She was first registered in Tibetan Reception Centre. After that, she went to Tsopema rewalsar for pilgrimage and stayed there for a year. Due to her health problem, she left Tsopema and came here (Dharamsala). She has no family members or relatives staying in India.

She has a known case of Gastric problem and kidney. Due to her financial instability, she discontinued her medical treatment. Now she is taking Tibetan medicine from Men-Tsee-Khang (Tibetan Herbal Medicine).

Her family is in Tibet. She is staying in a rented house and she has to pay 1750 rupees for rent every month. Without any job and any help from relatives, sometimes it is difficult for her to meet her own basic necessities.

She receives 400 rupees every month from the Department of Religion and Culture and 1500 rupees from Tibetan Nuns Project. Still it is not sufficient for her to pay her rent and her medical expenses. She is in great need of help and we would appreciate if you could help her when it is needed.
