Donate Computers to Support the Tibet Charity Computer Class

Tibet Charity has been providing computer classes to the new comers from Tibet who never had any opportunity to go to school while in Tibet. Though many students are eager to join the class, lack of sufficient number of computers in the class prevents us from providing this facility to many eager students. So any assistance in providing us with computers/laptops (maybe difficult to ship if you are outside India) or funds to procure more computers will be greatly appreciated. You may also support us in procuring the necessary software that is required for teaching.

The existing computers we have are either used computers donated by Department of Health, CTA or bought way back in 2005.

Number of computers required: 12

- Hardware requirements of a computer:
 - ❖ Laptop
 - ❖ Processor I-3
 - ❖ 4GB RAM
 - ❖ 500 GB Hard Disk
- Software requirements:
 - ❖ Office package
 - ❖ ADOBE CS-4
 - ❖ Antivirus
 - ❖ Windows 7/8
