

Sponsorship Case Form

- 1. Name: Tsering Chozom**
- 2. Age: 51 (1st June 1966)**
- 3. Present Location: Heru Village (Dharamsala)**
- 4. Brief Report about the individual:**

Tsering Chozom was born in Manali, a small hill town in the state of Himachal Pradesh, India. Later she got married and got settled at Dharamsala. But her husband left her and got married with other lady. Now she is living alone.

She is a known case of hypertension. Once she had an accident and got treated at Tanda Hospital. At present she is not able to do any regular work due to general weakness. She is under medication and till now she has been meeting all her medical expenses.

She has 3 children. But they are living with their own family. They are not able to take care of her. Her daughter send little money but that is not sufficient to pay her rent every month. She said she has used whatever money she as saved for the rent and is now wondering how she could continue her medication and meet her daily expenses.

She has no other financial support from the society or any other NGOs.
