

## CASE HISTORY

**Name:** Nyima Bhutti

**Age:** 71 yrs

**Present Location:** Dolma Chowk, Mcleodganj

**Brief report about self:**

Mrs. Nyima Bhutti is a widow who lives in Mcleodganj with her grand children at present. She came to India in 1959 and started working in a Tibetan Handicraft Centre called Nyamley ever since. She had 2 daughters before. They are not alive anymore. She has 2 sons and both do not support her financially and emotionally as both are incompetent and unemployed.

She is suffering from Gastric disease for which she takes both Tibetan and western medicines. She is unable to do much work these days due to her old age. Moreover, she looks after 2 grand children of her deceased daughter. She has no source of income and no pension from the previous work centre. She is residing in a rented accommodation and mostly surviving on people's mercy.

We request your kind support in fulfilling her basic necessities.
